

Chemistry Online Course Syllabus  
[Alejandro.Anguiano@sweetwaterschools.org](mailto:Alejandro.Anguiano@sweetwaterschools.org)

This syllabus will be modified when we return to our physical classroom.

**ATTENDANCE:**

- Monday, Wednesday and Friday - Periods 1, 3 and 5 in Google Meet
- Tuesday, Thursday and Friday - Periods 2, 4 and 6 in Google Meet

Students are required to attend class in Google Meet during synchronous lessons.

**OFFICE HOURS:** Students will receive extra support on Friday in Google Meet during their scheduled 30-minute class period. If students need additional support, they must contact the teacher to schedule additional office hours between 8:20 am and 8:50 am. Students may also stay in Google Meets after the synchronous ends for additional support.

**CLASSROOM EXPECTATIONS**

**Students will:**

1. Login to class in Google Meet on time
2. Come prepared to learn with a pencil or pen, paper and a scientific calculator
3. Be respectful
4. Participate

**GRADING POLICY**

**Scholarship**

Grades will be earned based on a points system.

Tasks will be assigned. You are expected to work on the Tasks immediately after the synchronous lesson ends. Unless otherwise noted in the Task instructions, the Tasks are due the same day that they are assigned. If you turn in an assignment late, you are expected to inform Mr. Anguiano in the assignment message box why it is being turned in late. (Mr. Anguiano will prioritize grading assignments that are turned in on time before grading late assignments unless there are special circumstances involved.)

In a five-day week, any assignment that is submitted after 2 pm on Friday the week that it has been assigned is only eligible for half credit.

The Tasks will range from 2 points to 20 points depending on the level of difficulty.

Grades will be determined using the following percentage scale:

A+= 97.0	A = 94.0	A- = 89.5
B+= 87.0	B = 84.0	B- = 79.5
C+= 77.0	C = 74.0	C- = 69.5
D+= 67.0	D = 64.0	D- = 59.5

**Citizenship**

Students need to be active and respectful participants. Grades will be based on student preparation, class participation, and student behavior. Unexcused absences and tardiness will lower citizenship grades.

Task 7

2 points

You are required to review the online syllabus with a parent or guardian.

Complete this form. Take a picture of it after signatures are gathered and turn it in under Task 7.

If you do not have a printer, copy what is printed below. Take a picture of it after signatures are gathered and turn it in under Task 7.
